

Price list DNA Sequencing

Prod #	Order	DNA to be sequenced	Service included	Price SEK	Price EUR	Minimum per order	Delivered within
2007	Primer Walking ss	Plasmid or PCR product >1000bp	Partial or complete sequence, single stranded. Consensus sequence edited and aligned. 99% valid seq. Primer design and synthesis is included. Full documentation supplied as PDF documents.	2:15 / base	0,21/ base	1000 bp	5 days/kb
40	HiQSeq ds	Plasmid or PCR product >500bp	Partial or complete sequence, double stranded. Consensus sequence manually edited and aligned. 99,99% valid seq. Primer design and synthesis included. Publication quality. Full documentation supplied as PDF documents and written QC report.	5:10 / base	0,50 / base	500 bp	5 days/kb
Other services							
445	A ₂₆₀ reading		Absorbency reading	50:-	4,85		
2120	QC approval		Written QC report	480:-	46,60		

All sequencing services are performed under certificate ISO 13485:2003/ISO 9001:2000.
